Recommendations for Accommodation

In case you need an overnight stay, please, make your travel and accommodation arrangements, individually. For example, you could use online hotel booking systems as

- HRS www.hrs.de
- Booking.com www.booking.com
- Trivago www.trivago.de

or others (available in English and other languages).

The following map shows that the meeting venue. Unfortunately, our part of the Institute of Geography is located in a certain distance to the old city center. It's up to you to choose the right place you like to stay, either close to the meeting venue or to the old city center. For less expensive accommodation, please, look for a "Hostel" or for a "Pension".
